EMERGENCY AUTHORIZATION

State law requires that we have written authorization from a child's legal guardian to seek medical help in the event of a medical emergency. Signing the statement at the bottom of this letter will provide us with that authorization. Our policy, in the event of a medical emergency, is to contact you first. If we can't contact you, we will try to contact any others you may designate. In the event that we are unable to contact you or your designated representative(s), or if the medical emergency warrants immediate response, we will act on your behalf and in the best interest of the child. By signing below, I agree that I have received and read a Marple Sports Arena handbook. I further agree to follow the policies, procedures, and practices placed before me within the Marple Sports Arena Handbook.

The center must comply with this requirement by reproducing and distributing to parents this written statement, prepared by the office of Licensing. In keeping with this requirement, the center must secure every parent's signature attesting to his/her receipt of the information.

* * * * *

Our center is required by the commonwealth of Pennsylvania to be licensed by the Office of Child Development Bureau of Child Day Care Services, in the Department of Public Welfare. A copy of our current license must be posted in a prominent location at our center. Look for it when you're in the center.

The regulations cover such areas as: physical environment/life-safety; staff qualifications, supervision, and staff/child ratios; program activities and equipment; health, food and nutrition; rest and sleep requirements; parent/community participation; administrative and record keeping requirements; and others.

Our center must have on the premises a copy of Chapter 3270 of the Pennsylvania Code and make it available to interested parents for review. If you would like to review our copy, just ask any staff member. Parents may view chapter 3270 of the Pennsylvania Code at www.pacode.com or may call (800) 524-3232 ext. 2340 to request a copy be mailed to you.

We encourage parents to discuss with us any questions or concerns about the policies and program of the center or the meaning, application or alleged violations of chapter 3270 of the Pennsylvania Code. We will be happy to arrange a convenient opportunity for you to review and discuss these matters with us. If you suspect our center may be in violation of licensing standards, you are entitled to report them to the Department of Public Welfare toll-free at 1-800-692-7462. Of course, we would appreciate your bringing these concerns to our attention, too.

Our center must have a policy concerning the release of children to parents or people authorized by parent(s) to be responsible for the child. Please discuss with us your plans for your child's departure from the center.

Our center must have a policy about dispensing medicine and health care procedures and the management of communicable diseases. Please talk to us about these policies so we can work together to keep our children healthy.

Our center must have a policy concerning the expulsion of children from enrollment at the center. Please review this policy so we can work together to keep your child in our center

Parents are entitled to review the center's copy of the Department of Welfare Inspection/Violation Reports on the center, which are issued after every State licensing inspection of our center. If there is a licensing complaint investigation, you are also entitled to review the Department of Public Welfare Complaint Investigation Summary Report, as well as any letters of enforcement or other actions taken against the center during the current licensing period. Let us know if you wish to review them and we will make them available for your review.

Our center must cooperate with all Department of Public Welfare inspections/investigations. Department of Public Welfare staff may interview both staff members and children.

Our center must post its written statement of philosophy on child discipline in a prominent location and make a copy of it available to parents upon request. We encourage you to review it and to discuss with us any questions you may have about it.

Our center must offer parents of enrolled children ample opportunity to assist the center in complying with licensing requirements; and to participate in and observe the activities of the center. Parents wishing to participate in the activities or operations of the center should discuss their interest with the center director, who can advise them of what opportunities are available.

Parents of enrolled children may visit our center at any time without having to secure prior approval from the director or any staff member. Please feel free to do so when you can. We welcome visits from our parents.

Our center must inform parents in advance of every field trip, outing or special event away from the center, and must obtain prior written consent from parents before taking a child on each such trip.

Our center is required to comply with all anti-discrimination laws required by the Department of Public Welfare, Bureau of Equal Opportunity and the Americans with Disabilities Act (ADA), P.L. 101-336 (42 U.S.C. 12101 et seq.). Anyone who believes the center is not in compliance with these laws may contact the Department of Public Welfare, Bureau of Equal Opportunity at (215) 560-2230, or may contact the United States Department of Justice for information about filing an ADA claim at (800) 514-0301 (voice) or (800) 514-0383 (TTY).

Anyone who has reasonable cause to believe that an enrolled child has been or is being subjected to any form of hitting, corporal punishment, abusive language, ridicule, harsh, humiliating or frightening treatment, or any other kind of child abuse, neglect, or exploitation by any adult, whether working at the center or not, is required by State law to report the concern immediately to the Pennsylvania Child Line Hotline, at (800) 932-0313.
